

U8 - Lesson Plan – #11

Activity Diagram	Activity Description	Time
<p>Activity 1</p> 	<p>Ball Tag: All players are dribbling a soccer ball in a 15x20 yard grid. The players try to hit another player's feet or soccer ball with their soccer ball. Players should keep count of how many times they tag another player. <u>Variation 2:</u> If the players tag the coach, they are awarded 10 or 20 points. If the players tag other selected players, they are awarded 50 or 100 points.</p>	<p>6 minutes</p>
<p>Activity 2</p>	<p>Team Ball Tag Split into two teams. One team (<i>the Taggers</i>) is trying to tag the players on the other team by kicking their soccer ball at them below their knee or on their soccer ball. They keep track of how many times they tag the other team; after each game the coach can help them add up their numbers. Then the other team gets a chance to do the same thing. In each game, only one team is designated as the <i>Taggers</i>. The other team is trying to keep away and shield their soccer balls. <u>Variation 2:</u> Can only have the teams tag the other team's soccer balls.</p>	<p>6 minutes</p>
<p>Activity 3</p>	<p>Soccer Marbles In the same space as the previous two activities, players start in pairs, each with a ball. One player plays out their ball (using the inside of the foot) and the partner passes their own ball in an attempt to strike the ball their partner played out. Players should keep track of how many times they hit their partner's ball. <u>Variation 1:</u> Once players understand this game, make it fast paced by having the players take turn at trying to hit each other's ball without ever stopping. If player 2 misses player 1's ball, then player 1 immediately runs to their own ball and tries to hit player 2's ball (player 2 does not get to touch his ball after missing player 1's ball). After player 1 has a chance, then player 2 immediately tries to hit player 1's ball right back. etc. etc. This game is continuous and players should keep score. Hint: If 2 balls are very close to each other a player should kick their ball hard at the other ball so when they hit it, it is more difficult for the other to hit their ball back. <u>Variation 2:</u> Three players start the game in a triangle, ten giant steps apart. They take turns trying to hit another player's ball. Number one goes first and so on. They keep score, and the first to ten points wins. If they hit two balls with one shot, they get two points.</p>	<p>6 minutes</p>

Activity 4

Capture the Balls:

Players should be divided into equal teams to play in a grid with each team's home in the corners. Soccer balls are in the middle of the grid with all players starting inside their home bases. On the coach's command, the players each get one ball. They try to dribble or pass it into their home base. Players can steal soccer balls from their opponent's home bases.

Coach: Call time and each team counts the balls they have collected.
